Secretary of the American Numismatic
Society, New York.

Dear Sir,

I have received your kind letter of June 3 with the greatest pleasure. We are feeling us very honoured by the application of the four persons you indicated to me to qualify as corresponding members. They will be admitted with alacrity into our Society.

Lieut. Foster W. Stearns has probably written to you how we have scrapped all the german corresponding members out of the list of our fellows. Therefore we are desirous of getting them replaced by americans and allies.

If you could be so obliging to forward to me further acceptations, I should be very indebted to you.

Yours very respectfully

W. Van Laurenen

I have the pleasure to let know to you that on your recommandation of Sept. 5th, M. Ferris P. Garrett has been admitted as a „correspondant étranger" of our Society, in the meeting of our Committee of this day. It was the first meeting since you wrote to me.

I have sent to M. Garrett all the details concerning membership of the Society Les amis de la Médaille d'Art and I enclose here some papers on the same subject.

With many thanks and best greetings
